

Virtual Vacation Video

Photoshop and iMovie

You will be going to take a trip somewhere!!! The places you choose must have several different places to visit—example: Hawaii – Hanauma Bay, The Arizona Memorial, Pineapple fields, North Beach, Waikiki, Diamond Head, Different Hotels... Create a Folder for this called **LastNameFirstInitialTRIP**. **Save everything in this folder.**

PART 1: Complete the Worksheet on Vacation. (20 point)- Turn in sheet along with the word document of your screenshots.

PART 2: (10 Points)-Turn in Contact Sheet. (PRINT Portrait)

- ⊕ **High Quality** – Get 20 Pictures **larger than** 1024 x 768 pixels pictures off the internet of the place you are going- You may have “fun” with up to 5 of these—the rest must be realistic. Please don’t pick the first picture. I don’t want everyone to have the same image. (Make a contact sheet of these 20 pictures 4 columns and 6 rows.) Type your name on this Print to color printer and turn in.

PART 3&4: (40 Points)- You will need at LEAST 10 Photoshopped images. 8 Must be realistic....2 you may have fun with (a giant climbing a building, riding a dolphin etc...)

Part 3: Pose and Take Pictures like you are in the images.

- ⊕ Take several pictures of yourself—posing in these pictures—could be you and a friend etc. Needs to look like you are actually there. You may reuse only one of the poses. Use your contact sheet as inspiration to figure out how to pose. Be careful not to cut off any parts. Take extra pics.
- ⊕ Take against Plain background for easier cutting out.

Part 4 : Photoshop yourself into the pictures: Grading will be based on the following:

- Will have to probably work on adjustments for either picture or yourself, keep lighting in mind!
- Clear/real looking photos—as if you were there—try using some blending tools such as blur (do this on the edges) adding shadows (MUST ADD A SHADOW ON AT LEAST ONE!)—Try different brushes, make sure all pictures are cleanly cut may use the healing/ cloning tool Content Aware or anything else that will make the picture look authentic.
- Total of **at least** 10 pictures—Save all as PSD.
- Print Contact Sheet as 2 x 5 (if you did more it will be 2 pages) Type your name and turn in. Also Put your Folder Trip Folder into the Handin.

PART 5—Create a Movie of your Virtual Vacation(65 Points)

- You must have all edited pictures (you may(or may not) include the unedited one-- this is up to you)
- Title at beginning with Your Name and Place (add a voice over or video for extra credit Voice Over Example: This is Jane Doe taking you on my Adventure to Australia, I visited the Great Barrier Reef as well as the unforgettable Outback”)—
- Animated credits at the end—Credit the search engine you used to find the pictures and Year you did this video, plus anyone else that may be in pictures with you.
- You will need a song/music that fades out.
- Must incorporate at least 1 sound and an animated gif and or moving graphic
- Must make use of transitions AND Ken Burns Effect on each picture and use them effectively.
- Video needs to be no more 60 seconds, but at least 25 seconds.
- Should be fun to watch—Repeat, zoom, pip, position, effects
- Export the video to .MP4 format save as LastNamefirst Intital Trip.
- Submit the MP4 Version to Handin. **LastNameFirstInitialTrip.MP4**

The more creative and realistic the video and pictures the better your score!!!

Name _____

Virtual Vacation Video will be graded using the following system:

	Comments	Possible	
Background from Dayton to your destination		5	
Titles (good quality) Beginning Your Name and Place and End search engine and year. Possibly on each picture		10
