

Shoe Grading Sheet

You must do all the tutorials, but do not have to use them in your actual poster....just hide the layers (tutorials) that you do not want...example (you don't want swirl background...hide it..but name the layer swirl tutorial)

- Rough Draft of shoe, slogan and logo. (10 points)
- Creation of the shoe using Tutorials 00, 101 and 32, Original shoe must be still in file, but hidden...new shoe should look whole and have details/effects and time spent, no copyrighted material on it. (30 Points)
- Tutorial 55-Z shaped Backgrounds (10 points)
- Tutorial 06-Star Shape (10 points)
- Tutorial 18-Text in Photoshop (10 points)
- Tutorial 22-Distort and Transform Text (10 points)
- Tutorial 19-Bling Text (10 points)
- Tutorial 225-Sparkle (10 points)
- Tutorial 244-Swirl Background (10 points)
- Must have Name of shoe on the poster and a "Tag line"/"Slogan" (10 points)
- Layers named effectively (10 Points)**
- Time and Effort on development (poster is correct size looks balanced etc)(20 Points)**

Below make a rough draft of your shoe...Include a logo, a slogan and a drawing of your shoe. You may do this on a separate sheet of paper if you wish.
