

# food

I love trying different foods of different cultures from around the world. Since I grew up in a Mexican household, a lot of my favorite dishes are Mexican/Latin foods, such as enchiladas, empanadas, tacos, etc. But other foods that I enjoy are...

- ♥ sushi
- ♥ pizza
- ♥ chicken tikka masala
- ♥ pasta

I am also someone who prefers sweet over savory. My top favorite sweet treats are...

- ♥ chocolate chip cookies
- ♥ boba
- ♥ red velvet cupcakes
- ♥ marble cake
- ♥ pan dulce

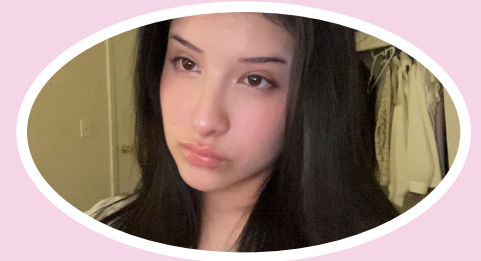

# extras

- ♥ In 10 years I hope to see myself with a career that I enjoy and that pays well, travel to many places, and be happy with the life that I have.
- ♥ I used to live in California, but then moved back to Ohio when I was in third grade.
- ♥ My dream trip would be to go to Mexico since that is where my parents are from. I would like to see the town that both my mom and dad grew up in, plus I would like to meet my grandma and grandpa in person.
- ♥ If I could have one wish, it would be to have a successful and happy life.
- ♥ I'm not sure what I want to do when I grow up, but I know I want to attend college. My dream school would be Yale.
- ♥ I can speak both English and Spanish fluently.
